2008 Induction Ceremony A Huge Success!

This year the Induction Ceremony was hosted at the William Glesby Centre in Portage la Prairie on July 17th. The day was a huge success with over 200 guests attending the ceremony honouring seven new individuals into the Hall of Fame. Our inductees included the late Dr. Helgi Austman of Gimli, Eileen Brake of Boissevain, the late Wallace Fraser of Hamiota, the late Dr. Margaret Newton of Winnipeg, the

late Gordon Sinclair of Strathclair, Fraser Stewart of Selkirk and the late Welland Stonehouse of Carberry.

We also had the pleasure this year of joining forces with the Historic Sites and Monuments Board of Canada in their commemoration of Dr. Margaret Newton as a person of national historic significance. Dr. Newton was recognized by the Government of Canada for her pioneering research in rust diseases in cereal grains. Dr. Newton was also recognized as an inductee of the Manitoba Agricultural Hall of Fame.

We would like to congratulate all of our inductees on the exemplary influence they have contributed to agriculture. To learn more about each of our inductees, please turn to Page 3.
